From the Head of Learning & Teaching

Dear Parents, Carers, Friends and Students of Marian College,

- ❖ We encourage excellence and perseverance in learning,
- ❖ We strive for continuous improvement

May The Road Rise Up To Meet You

www.lords-prayer-words.com

May the road rise up to meet you.
May the wind be always at your back.
May the sun shine warm upon your face;
The rains fall soft upon your fields
And until we meet again,
May God hold you
In the palm of His hand.

Traditional Gaelic Blessing

It never ceases to amaze me how busy school life has become. We are already nearly half way through term two and so much has happened, is happening and will continue to happen. This week's reflection whilst not specifically about drawing breath, can be read from the point of view of reflection time in preparation for; 'until we meet again'.

Hopefully the unseasonably warm weather of late have allowed us to enjoy the warm sun before the colder months of winter truly bite.

The Week that was.

Congratulations to the many students that participated in the Cross Country last Monday as well as the Black Ranges Athletics. The school sent a large contingent to Stawell with some fantastic results.

Thank you to all the staff for their assistance in these two sporting activities.

Last Wednesday saw an excellent turn out from families to Parent Teacher Interviews. Please remember that these are only one of the ways the

school keeps communication channels open with families. If you were unable to attend I highly recommend making contact with your child's teachers.

The end of last week saw the VCAL pop up market, that highlighted some of the fantastic work that the VCAL students are doing. There were some fantastic bargains up for grabs, with all proceeds being donated to a worthy cause.

The end of the week also saw all the Year 7 students participate in the Tandara day out in Halls Gap. Thank you to all staff involved there. The two days were a wonderful way for the year level to bond, given the disruptions to camps at the start of the year.

The Week Ahead

This week much like every week is another busy one in the daily life of the students here at Marian.

Black Ranges Cross Country is on Monday, along with an Outdoor Ed Hike and an incursion of Romeo and Juliet for all Year 10's.

Our Year 7 and 9 students have three days of Naplan testing. I encourage all students to give these tests 100% of the efforts. The data that is collected is not only valuable for families but also helps the school in analysing needs and facilitating alterations to programs for individual students.

The week finishes with some Netball and Football.

Have a lovely week and until we meet again, may God hold you in the palm of his hand.

Matthew Summers
Assistant Principal
Head of Learning and Teaching.

IN MY WORDS

with Eugene Read-Spinks

On the 6th of January 2003 I was born in the Ararat Hospital, the second and last child in my family. Being the runt of the family I was always trying to keep up. I have lost count of the number of stories my parents have told me of when I was a baby trying to keep up with my brother. It is no surprise that this competitiveness transferred into my early childhood and has stayed with me since. I do feel a bit of sympathy for my parents for having to deal with a child who was very competitive.

My early years were spent at the small rural Halls Gap primary school where the number of students made up the average class size of one class here at Marian. Whilst I was alright at the majority of the subjects taught there I had an affinity towards sports, it didn't matter what sport it was I was always keen. It was a big shock transitioning from such a small school to Marian but luckily there was a welcoming community. It was at Marian where I discovered my passion for running after the school athletics. I now train with a great group of local runners outside of school and I always take pride in representing the school in athletics.

To my fellow Year 12s I wish you well with your future endeavors. If I were to end this with a quote it would be.
“To whom much is given, much will be required”- Luke 12:48.

We all have unique talents and abilities and I hope you can use these to accomplish your dreams.

Deakin Students Visit

On Thursday 29th April we had two fourth and final year students from the Deakin University Ballarat Clinical School of Medicine, Milla and Ellie, come do a presentation to some of our VCE students.

Milla and Ellie spoke about their individual pathways into this course, what they studied as undergraduates and why they decided to apply for medicine. They also went into great detail about the course itself and they mentioned that many of the students in this course have come from a wide variety of undergraduate degrees eg. law, music, nursing etc. You do not have to have an undergraduate degree in biomedical science to apply for the Doctor of Medicine program at Deakin University

Deakin University is passionate about keeping regional students, regional. The University is working hard to make it increasingly more accessible and

equitable to study medicine if you are from a regional or rural area. This year 30 undergraduate students from rural areas, who met the entry requirements, were offered places into the Doctor of Medicine (MD) on the Rural Training Scheme (RTS), removing the need for them to compete with students from Geelong, Bellarine or Melbourne. It is hoped that the RTS is a step in the direction to reaching the ultimate goal of being able to support rural high school graduates to study the undergraduate degree of their choice and majority of their MD in their home town.

Milla and Ellie have both done a placement at East Grampians Health Service as part of their final year and both girls intend to stay rural after graduating.

CROSS COUNTRY

NEWS

FROM YOUR HOUSE LEADER

Welcome one and all to week 4 of the term. The weeks just keep flying by.

Last week we ran the school cross country and I want to congratulate everyone for participating but especially the following Clancy members for gaining placings in their respective age groups.

U/13: Jack Bartlett (2nd), Sam Drum (5th)
U/14: Finn Stephens (5th)
U/15 Girls: Ebony Davidson (6th), Boys: Vince Cusumano (4th)
U/16 Girls: Isabella Bartlett (4th), Boys: Jayde McMurtrie (1st), Harper Stephens (2nd)
U/17 Girls: Elise Monaghan (1st), Boys: Thomas Bartlett (3rd)

The mentioned students are representing Marian College today at the Black Ranges Zone cross country. Good luck to everyone who is competing.

Last Wednesday we were able to host the Parent Teacher Interviews. These were not held last year due to Covid 19 restrictions and it was wonderful to meet with so many parents and have great conversations about the progress that their child is making whether that be academic, social or practical. This was highlighted last week by the VCAL Pop-Up market. I was amazed at the diverse range and quality of products that were for sale and all made by our VCAL students. It was very impressive to see. I can't wait for Cafe 17 to open this week. This is also run by the VCAL students.

This week our Year 7s and 9s will complete NAPLAN testing. It is important that each student tries their best when completing each task. Tuesday P1 - Language, P3 - Writing, Wednesday P1 & 2 - Reading and Thursday P1 & 2 - Numeracy.

Next week (week 5) all Year 9 students will be travelling to Bellbrae for camp. Groups A & D will be away from Monday to Wednesday, then groups B & C will be away Wednesday to Friday. I hope that each student will make the most of the opportunities they are given and have a wonderful time.

FROM YOUR HOUSE LEADER

Lastly, I want to encourage you all to get organised and make sure you meet due dates with work. Year 9, 10 and 11s will have mid year exams in weeks 8 and 9, in some or all of their subjects, so start planning now. Teachers will be keen to get all work in on time as they will be starting reports soon. Students who don't get work in on time will need to attend lunchtime tutorials or afterschool tutorials until the work is handed in. Make sure this is not you!

Whatever you do this week, make sure you give it your best effort and be the best you, that you can be. And, always remember ...

Mrs Boatman
Clancy House Leader

Employment under the *Victorian Catholic Education Multi Enterprise Agreement 2018*.

Marian College is an Equal Opportunity Employer.

Rotary

DEFYING THE DRIFT!

A Rotary District 9780 program for young Australians

WHAT?

DtD is a program designed to empower young people to:

- Identify and explore agriculture and agribusiness career opportunities
- Build communication skills
- Develop career networks

WHO?

DtD is for year 10 and year 11 students

WHY?

Because there are great, high paying professional, entrepreneurial and trade careers in agriculture that young people need to know about!

WHEN?

Monday September 20, 2021 to Wednesday September 22, 2021

WHERE?

Longerenong Ag College, Horsham

HOW MUCH?

\$250 Early bird price - pay by July 31

\$350 per student, sponsorship available.

More information at www.defyingthedrift.org

DtD starts with a 3 Day residential program at Longerenong Ag College. There will be lots of new friends to make, inspiring agriculture role models to meet, places to visit and lots of fun.

The second part is a presentation by each participant at their sponsoring Rotary Club - a great chance to meet community leaders.

THERE ARE WONDERFUL OPPORTUNITIES FOR FANTASTIC, HIGH PAYING AND SECURE CAREERS IN EVERY WALK OF LIFE IN RURAL VICTORIA. WITH IT COMES A LIFESTYLE THAT CITY FOLK CAN ONLY DREAM ABOUT.

Agricultural careers have a bright future. The fact is the world's growing population needs to be fed and clothed and, with the average age of farmers approaching 60 years, young people are worth their weight in gold. Employers are screaming out for them. Jobs are often going begging.

While the traditional patterns of family farm succession are giving way to corporate style farming and land prices seem prohibitive for new entrants, there are great opportunities for careers in agriculture across the broadest range of personal skills, as well as the many professions, trades and vocations needed in every community.

With the huge interest in where our food comes from, the time is ripe for organic and innovative food production start-ups.

Since its inception in 2010 Defying the Drift has helped young people discover pathways through further education and work experience to great careers in agriculture.

Don't wait for the future – make it happen!

Early bird closing date for applications is July 31 2021.
Final closing date is August 31 2021 unless all places are filled prior.

More information at www.defyingthedrift.org

WEEKLY CAREER NEWS

Wednesday 5 May2021

Explore your university course options

Many universities offer the option for prospective students to speak directly with course advisers via Zoom or a phone call. The following are examples of universities offering this service:

Australia National University

Book a study consultation: book a 30-minute phone call or video conference to discuss your study options with Australia National University course adviser Clara Hill, <https://bit.ly/3tVOOHy>

University of Wollongong (UOW)

Chat with a current UOW student and ask any questions you have about life at Wollongong. Use the drop-down filters on this webpage and find the best student to help you - www.uow.edu.au/study/ask-a-student/

Charles Sturt University

Book a study consultation: book a 30-minute phone call or video conference to discuss your study options with a Charles Sturt University course adviser, <https://study.csu.edu.au/contact-us/consult>

Australian Catholic University

Book a 30-minute phone call or video conference to discuss your study options with an Australian Catholic University course adviser, <https://bit.ly/2QYwkYq>

Interested in sports physiotherapy?

Have you considered clinical exercise physiology as being a more suitable pathway than physiotherapy?

"Where physiotherapists assist people with movement disorders using techniques to assist muscles and joints to move to their full potential, clinical exercise physiologists use exercise to prevent and rehabilitate disease and injury in the community".

Students will study an Exercise and Sport Science Australia (ESSA) accredited undergraduate exercise science degree followed by graduate studies in exercise physiology. The following are examples of courses at Victorian universities:

Deakin University, <https://bit.ly/2TPWDQ3>
Australian Catholic Uni., <https://bit.ly/2CiUimH>
Victoria University, <https://bit.ly/2Q1iwXx>
La Trobe University, <https://bit.ly/2wnnpoq>
Federation University, <https://bit.ly/2Y1zH7S>
Swinburne University, <https://bit.ly/3hNfELr>

Prefer Sports Physiotherapy?

You can research physiotherapy courses at the following universities:

La Trobe University, <https://bit.ly/2LFOsz6>
Australian Catholic Uni., <https://bit.ly/2HdYV58>
University of Melbourne, <https://bit.ly/2Tr3GhV>
Monash University, <https://bit.ly/2Qo3TSs>
Charles Sturt University, <https://bit.ly/2OaaGux>
Swinburne University, <https://bit.ly/2PKY2Yc>
Victoria University, <https://bit.ly/2QUWJGP>
Federation University, <https://bit.ly/3fxsJP>

Applying Medicine, Dentistry or Oral Health?

If you are in Year 12 and plan to apply for any of these health science courses to start in 2022, you may need to sit the UCAT ANZ (University Clinical Aptitude Test).

The UCAT ANZ is a two-hour, computer-based test which assesses a range of mental abilities identified by universities as important to practicing in the fields of medicine and dentistry.

It consists of five separately timed subtests which each contain a number of questions in a multiple-choice format.

You will sit the test in July 2021 and selected universities use your UCAT ANZ results as part of the selection process, in conjunction with your ATAR and HSC/VCE results, and in some cases an interview.

You will only have one chance to sit the UCAT ANZ this year. It's important to note that applications close on the 17th of May and late applications close on the 31st of May.

Please go to <https://www.ucat.edu.au/> for more information about the UCAT ANZ, to see if you have to sit the test, and to register for the test.

Victorian Careers Show 2021

This event follows on from the success of the recent VCE and Careers Expo

Students and families are invited to attend the Victorian Careers Show.

Over two days you can attend seminars on topics including:

- VCE subjects
- Tertiary courses
- Careers
- Employment opportunities
- Gap year options

You can speak directly to organisations with:

- Information and resources for the VCE
- Information about tertiary study, university, TAFE and training courses
- Career advice
- Study advice
- Employment advice and opportunities
- Apprenticeship and traineeship advice
- International exchange and gap year programs

Information:

Dates: Friday 14 – Saturday 15 May

Venue: Melbourne Showgrounds, Ascot Vale

For information and to purchase tickets, visit www.victorianscareersshow.com.au

Preparing to attend a Careers Expo

Career Expo success for students lies in effective preparation.

My Career Match offers the following advice to students preparing to attend a career expo:

List the priority exhibitors with the 'must visit' at the top of list. If they are busy make a time to come back and see them. Don't leave the expo without visiting the "must see" exhibitors.

Allocate time to spend with each of your priority exhibitors. Non priority exhibitors can be visited if you have time.

Prepare an introduction. Keep it short. Introduce yourself and say why you're interested in this career or a particular study area.

Have a list of questions to ask. Don't leave it to memory. Take notes and gather information. Ask for their business card or get their name and email to follow up.

Take the visit seriously. It's about your future so it's important you focus and don't get distracted.

www.mycareermatch.com.au

Explore your global university options

Are you interested in learning about universities from around the world? Crimson Education has developed a YouTube channel that profiles global universities. You can access the channel at <https://bit.ly/2qcWRiX>

Careers in Sport

My Career Match has developed an excellent 3-page guide to careers in sport. You can download the resource at this link - <https://bit.ly/2UwkqB8>

Future of Work Predictor

Have an occupation goal? Want to know how this job may change over the next 10 years? University of New England (UNE) has developed a 'future of work predictor'.

Using the online software, simply search for the occupation you are interested in, choose the education level you are planning to attain (e.g., Bachelor degree), your post code or the post code of where you would like to work in the future and your email address.

UNE will provide you with information on how this job may change in terms of tasks, duties, qualifications, wages and employment growth.

Visit <https://bit.ly/2SxZpbc> and start searching!

Apprenticeships and Traineeships

Australian Apprenticeship Pathways have developed an excellent four-step guide to assist you to start planning - <http://bit.ly/2E2R7T2>

Read through Step One and take the work type explorer quiz, download the AusAppPathways app to your phone, and complete practice aptitude quizzes to ascertain the level of literacy and numeracy skills you will need for different occupations.

Casual employment

You can sign up for employment opportunities at the following websites:

| | |
|------------------|---|
| Coles | https://bit.ly/383OETN |
| IGA Supermarkets | https://bit.ly/382p4yw |
| KFC | https://bit.ly/33N7mM1 |
| Woolworths | https://bit.ly/2RptgTp |
| Hungry Jacks | https://bit.ly/2qkwIU8 |
| Kmart | https://bit.ly/2Y8U2Rd |
| Target | https://bit.ly/2qZ76MZ |
| McDonalds | https://bit.ly/38oUvtb |
| Bunnings | https://bit.ly/2Lfb2Ls |
| Donut King | https://bit.ly/2YbqYly |
| Boost Juice | https://bit.ly/2P36v4l |
| Red Rooster | https://bit.ly/2Lf35Le |
| Myer | https://bit.ly/2sHiEov |

| Sportsgirl | https://bit.ly/2RfTzC |
| Officeworks | https://bit.ly/361GkCp |
| Apco | https://bit.ly/33Fogxz |

About 80% of all job vacancies aren't advertised, so it is crucial that you market yourself to businesses with an excellent resume and cover letter.

Make sure you tell as many people as possible that you are looking for work as often employers rely on 'word of mouth' to recruit for their positions.

Job seeking resources

For excellent job seeking tips, and resume/cover letter templates, check out the resources at the following two websites:

Skillsroad - www.skillsroad.com.au

Youth Central - www.youthcentral.vic.gov.au

Rights and responsibilities

Know your rights and responsibilities when starting a new job - <https://bit.ly/2SggKUP>

Tax File Number (TFN)

If you don't have a TFN, you will need to apply for one via the Australian Tax Office - <https://bit.ly/37VdCnP>

Parents – School to Work Resources

Supporting your child in preparing for the world of work after school can be a challenge. Casualisation and globalisation of work force, automation and rapid advances in technology will all have an impact in your child's navigation of the world of work.

The Australian Government has developed resources to support parents through their Future Ready Career Education Portal. To access the resources, go to <https://bit.ly/2OkowsL>

Careers in Business & Commerce

When people think of careers in business, they often think of occupations such as business management, accounting, finance, and marketing. The following are three business career areas you may not have considered:

Insurance

As one of the biggest, most diverse industries in the world, insurance has more roles than you'd imagine – including ones that are perfect for you. Love numbers? You're needed. Love people? Insurance has roles for you. Analytical? A big thinker? A problem solver? Whatever you are, insurance has a job with your name on it,
<http://careersininsurance.com.au/>

Economics and Econometrics

Economists perform economic research and analysis, develop and apply theories about production and distribution of goods and services and people's spending and financial behaviour, and provide advice to governments and organisations on economic policy issues,
<https://careerswithstem.com.au/read-it-here/>

Actuarial Science

Actuaries evaluate risk and opportunity – applying mathematical, statistical, economic and financial analyses to a wide range of business problems. Actuaries work in insurance, superannuation, wealth management, investments, health financing, banking, data analytics, energy resources and the environment etc., <https://bit.ly/2TdcFiy>

Commerce vs Economics

Which study area would you be more suited to? The Australian School of Business, UNSW, has developed a video to help you decide. They have also developed a video focused on careers in economics.

Bachelor of Commerce versus Bachelor of Economic, <http://tinyurl.com/qbzswp>

Careers in Economics, <http://tinyurl.com/njlehwg>

Explore Commerce and Economics courses via the Course Seeker website, www.courseseeker.edu.au

2022 National Youth Science Forum (NYSF)

In Year 11? Love STEM? Want to engage in a life changing experience? You should consider applying for the NYSF.

This is a two-week on-site and digital program where students are immersed in hands-on science activities, lab experiments, field trips and meet researchers who are leaders in their field.

In-person STEM visit days and events will be held over a week of the program at major city hubs across the country, enabling students to meet each other and network with like-minded peers.

A continuous program of digital events will run alongside the in-person events meaning the program is accessible to all.

The program will be held during January 2022. Applications close Friday 2 July. For more information and to apply, go to www.nysf.edu.au

Natural Health Courses

Have you considered natural health? The following two colleges are located in the Melbourne area:

Endeavour College of Natural Health

Courses: Acupuncture, Myotherapy, Naturopathy, Nutritional and Dietetic Medicine, and Complementary Medicine, www.endeavour.edu.au

Career profiles of graduates, <https://bit.ly/2fJpe6O>

Events and information webinars, www.endeavour.edu.au/events/

Southern School of Natural Therapies

The School is part of Torrens University and Think Education.

Courses: Health Sciences, Naturopathy, Nutritional Medicine, Western Herbal Medicine, Chinese Medicine, Clinical Myotherapy, www.ssnt.edu.au

Wellbeing Centre: open to the public, <https://bit.ly/2YoMu2s>

Careers with the Australian Federal Police

A career with the AFP can lead to working with the community, across the country or around the globe.

Whether in a non-policing support role, investigating transnational crime, combatting terrorism and people smuggling, investigating crimes against the ACT community and patrolling its city and suburban streets, providing high visibility protection to commonwealth infrastructure sites and establishments, or heading overseas to liaison posts or capacity building missions, you'll be on the frontline, contributing to keeping the Australian community safe.

There are three main employment pathways:

- Entry Level Sworn Recruit
- Lateral Police Recruit
- Professional (Non-Policing) Role

For information on entry requirements, careers, and the recruitment process, go to www.afp.gov.au/careers

Upcoming Career Events

UNSW – Medicine Information Sessions

Option 1: Virtual

The next Medicine Information Evening for Year 11 and 12 students will be held via a live stream on Monday 24 May. Information will be released soon. Explore medicine at UNSW via <https://med.unsw.edu.au/>

Option 2: On site

The UNSW Rural Clinical School (Albury-Wodonga campus) is hosting an information session for Year 10 – 12 students on Wednesday 26 May. Email Anj Comb to reserve your seat - a.comb@unsw.edu.au

Medicine and Dentistry

Year 12 students planning to apply for medicine and/or dentistry for the 2022 intake may be required to sit the UCAT ANZ test, www.ucat.edu.au

The following companies are running webinars and preparation programs in May:

National Institute of Education, www.nie.edu.au
MedEntry, www.medentry.edu.au

Upcoming Career Events
