# From the Head of Wellbeing

Dear Parents, Carers, Friends and Students of Marian College,

- ❖ *We encourage excellence and perseverance in learning,*
- ❖ *We strive for continuous improvement*

***Lord, we thank you for the unique gifts of every child.***

***Fill each student with a fresh enthusiasm and a heart that is kind and ready to learn.***

***Cover them with your enduring love, give them the confidence and grace, and equip them with the ability to persevere through trials.***

***Bless their teachers with wisdom, and the heart to serve, and their families with warmth and love, as they embark on this journey together.***

***Amen.***

We welcome all our students back full time, with much happiness and relief. We are eager to move forward with our students on their educational journey as was always intended - face to face every day! To be able to have our community together as one again means the world.

We farewelled out Year 12s and saying goodbye to them as our school leaders was bitter sweet. They have led our community with wisdom, innovation and perseverance and have supported us through yet another year of the pandemic to boot! Their positivity during this time and readiness to care for the wellbeing of others, made getting through another year of lockdowns a bit easier. We are proud of our Year 12s and want to keep them for another year but also, we are quite excited for them and what their

future holds. Students as special as they are will undoubtedly make a difference in this world and we look forward to seeing what wonderful and exciting things they go on to do! In the meantime, we encourage them to engage in some self-care over the exam period - to balance their study with activities that renew their energies and spirits.

## VCE EXAMS

We wish our VCE students the very best during this exam period. This can be a stressful time for students and their families but there are a few tips that students can follow that can help them approach their exams as prepared as possible.

## Exams tips from the Victorian Curriculum and Assessment Authority

- Make sure you've got notes on each of the Key Knowledge and Skills set out in the Study Design
- Do three or four past exams to revise – if you can, work with friends to check and comment on each other's answers
- Read the examiners' reports
- Don't try and cram at the last minute. Draw up a revision schedule that makes best use of the exam lead-up period.
- Better to get more sleep than stay up late studying during the exam period
- Make sure you have two or three spare pens

- Read the questions carefully
- If you are stuck on a question, mark it, move on to the next and come back to it at the end
- Keep track of the time during the exam, and make sure you try and answer as many questions as possible
- Don't leave the room early – use any left over time to revise and check.

Steph Saravanja  
Head of Wellbeing

Marian College wishes all Year 12 VCE students good luck for their upcoming exams.

# Marian College Summer Uniform

## Summer Uniform (Terms 1 and 4)

- Approved Marian College dress or approved navy shorts
- Pale blue short or long sleeved business shirt with Marian College logo.
- V neck woollen jumper with Marian College logo
- Marian College tie (optional)
- Marian College grey school socks with blue stripes

**Summer dress**

**Summer shirt & shorts**

**Sports Uniform**

**Track pants**

**Summer shirt & shorts with jumper**

**Marian College logos on blue business shirts, sports short and track pants**

## Uniform Supplier

Foster's Mensland in Ararat and Stawell are the sole suppliers of the Marian College Ararat uniform.

Marian College is a "SunSmart School".

The wearing of hats is compulsory during Terms 1 and 4.

Replacement hats can be purchased at the Office for \$5.00.

# FROM YOUR HOUSE LEADER

Hello everyone,

Welcome to another Synnott report.

Firstly I want to take this opportunity to wish all of the Year 12's the very best for the upcoming exams. Many challenges have been faced already this year but the end is near and I know you will approach your exams with enthusiasm and valor.

Special mention to all of the Year 12 Synnott students. Your contribution to Marian College has been welcomed across all of your years of schooling.

To Aston Allen, Claire Bowden, Sam Cairns, Jack Cameron, Danieka Clayton, Rita Dyer, Spencer Faulkner, Gab Holcombe, Imogen Holcombe, Emma McCready, Phoebe McKiernan, Dan Quixley, Zoe Rigby, Ella Striling, Alex Van Opstal, Max Willmott and Ava Wooley. All the best to each and everyone of you. I'm sitting here thinking that your resilience across the last few years has been tested. You have missed out on a fair bit of normality and rites of passage that come with being a senior VCE/VCAL student. But, you have soldiered through with a smile. I look forward to seeing you all at graduation.

Some of my favourite memories of this year level include your dancing in wellbeing last year. Some of the best moves and choreography you will ever see! I've also never seen a whole year level get up and do this without question, without judgement of anyone. It was fantastic to see and I know some of you will have developed friendships in your time here that will last a lifetime.

All students are now back on site. This promises to be a busy end to the year. I remind every student that you have a role to play in trying your best to settle back into the routine and expectations of school life. Your teachers will expect you to complete their tasks and knuckle down to get the most out of the remaining 6 weeks. We are all in this together and I have a sense of hope that we will be able to do this last 6 weeks justice.

Summer uniform, class on time with the right materials, using manners and treating each other with respect. These things should be done well and done right from the start.

Away we go.

Cheers  
Nick Lloyd.

# VCE EXAMS NAVIGATOR 2021

## STUDENT INFORMATION AND EXAMINATION TIMETABLE

### This booklet contains information on:

- Approved materials and equipment
- VCAA rules
- Examination dates and times
- Special Provision

# 2021 VCE EXAMINATION TIMETABLE

- Students should check the **starting time** of each examination and **arrive at least 30 minutes earlier**, and be familiar with rules about late admission to examinations.
- The start time for the afternoon session on Friday 29 October, Monday 1 November, Tuesday 9 November and Wednesday 10 November – when only two sessions are scheduled is **2.00pm**.
- The start time for the afternoon session on all other days when three sessions are scheduled is **3.00pm**.
- The **reading period** is included in the times shown in the timetable. Each examination commences with a 15-minute reading period unless otherwise specified.
- All **written responses** must be in English, unless otherwise instructed in the question book for that particular examination.
- If students are presenting for **Performance examinations, Languages examinations oral component** or the **Extended Investigation oral presentation** they will be issued with individual examination advice slips. Photo identification and examination advice slips must be presented for entry to their assessment. In some cases, students in regional and rural areas may be required to attend venues in Melbourne.
- The following written examinations **have an audio component**: English as an Additional Language (EAL), Music Performance, Music Style and Composition, VET Music Industry: Sound Production and all Languages including Chinese Language, Culture and Society, **except** Indigenous Languages of Victoria, Classical Greek, Classical Hebrew and Latin.

# 2021 VCE EXAMINATION TIMETABLE

**Wednesday  
27 October**

**9.00am - 12.15pm  
English**

**Friday  
29 October**

**9.00am - 11.45am  
Biology**

**2.00pm - 3.45pm  
Further Mathematics  
Examination 1**

**Monday  
1 November**

**9.00am - 11.45am  
Psychology**

**2.00pm - 3.45pm  
Further Mathematics  
Examination 2**

**Wednesday  
3 November**

**9.00am - 10.15am

17 November**

**9.00am - 10.45am  
Drama  
  
VET Community Services**

# VCE Examinations

Please note that all VCE external assessments (written, oral and performance) will be conducted in line with the advice from the Victorian Chief Health Officer applicable to schools and other venues at the time.

## VCAA STUDENT NUMBER

All response materials must be identified by your VCAA student number. This number, which is assigned by the VCAA, appears on your individual Student Examination/Assessment Timetables, which are supplied by your school.

## STUDENT IDENTIFICATION

When you present for a VCE external assessment your identity must be verified as you enter the examination room, either by a staff member from your school or by producing photographic identification (see also 'Advice for performance and Languages oral examinations and the Extended Investigation oral presentation' on page 15).

## TIMETABLE CLASHES AND THREE EXAMINATIONS ON ONE DAY

You may have a timetable clash (two examinations scheduled at the same time) or three examinations scheduled on one day.

Your school should already be aware of any timetable clashes or if students are required to sit three examinations on one day.

All examinations must take place on the date published in the VCE examination timetable. If you have an examination at an alternative time, you will be supervised between examinations.

The VCAA will contact schools to advise them of the scheduling arrangements for individual students.

## CONDUCT OF WRITTEN EXAMINATIONS

Supervisors have the right to check materials brought by you into the examination room and to remove any non-compliant material for the duration.

A suitably qualified member of the school teaching staff will check the appropriateness of your reference materials, calculators and dictionaries (where these items are permitted) as you enter the examination room.

During reading time, you may study the instructions, the question book and a dictionary or bound reference (where these items are permitted).

You must not begin to write or mark your paper or response materials in any way, or use a calculator (where one is permitted), until the announcement that writing time has commenced.

Your responses to questions must be entered on the response materials, as instructed. Notes and other markings made elsewhere on the response materials will not be assessed. For multiple-choice questions you must ensure that you use the Multiple-Choice Answer Sheet provided for your responses and follow the instructions printed on the sheet.

You must immediately notify the supervisor if the incorrect paper has been provided or if your paper has missing pages.

You cannot leave before 30 minutes has elapsed from the start of writing time. An announcement will be made before the last five minutes of scheduled writing time. After this announcement you cannot leave the examination room until instructed to do so by a supervisor.

You must cease writing when instructed to do so by a supervisor.

You must remain silent and must not leave your place until all response materials have been collected. When all response materials have been collected, the supervisor will direct you to leave the room. Any disruptive student behaviour will be reported to the VCAA., which will investigate the matter and take appropriate action (see also 'VCAA rules' on page 8).

## BOTTLED WATER

You may bring one bottle of still water into an examination room subject to the following conditions:

- The water is in a transparent plastic bottle (all labels removed).
- The water bottle has a secure lid.
- The capacity of the bottle is no more than 1500 mL.
- The water bottle must not be placed on the table at any time.
- The water bottle must not be refilled during the written examinations.
- The water bottle must not be shared between students.

## MOBILE PHONES AND OTHER ELECTRONIC DEVICES

Mobile phones and other unauthorised electronic communication devices, organisers, portable media players, electronic dictionaries and computerised pens, stopwatches and watches that are capable of storing, receiving or transmitting information or electronic signals, such as smart watches and fitness trackers, are not permitted in an examination room for written examinations under normal conditions.

Confiscated mobile phones and other devices may be held for up to three months.

## WATCHES

You will not be permitted to wear watches of any type during written examinations. All watches must be removed and placed at the top of your table, where they can be seen clearly and easily by supervisors. Stopwatches or watches with special functions, such as an alarm or a stopwatch, are not permitted in the examination room.

If there is any doubt about the functions of your watch, supervisors are authorised to direct you to remove the watch from the table for the duration.

The commencement of reading and writing times will be based on the clock time displayed in the examination room.

## DICTIONARIES

A suitably qualified member of the school teaching staff will check the appropriateness of dictionaries as you enter the examination room.

- Dictionaries are allowed only in the English, English as an Additional Language (EAL) and Languages written examinations.
- Dictionaries may be consulted during reading and writing time.
- In the English and EAL written examinations, you may use a printed English and/or bilingual dictionary.
- In the written component of Languages examinations, you may use any printed monolingual and/or bilingual dictionary in one or two separate volumes.
- Dictionaries must not contain any highlighting, annotation or tabs that are not part of the original publication.
- A thesaurus, or a dictionary that contains a thesaurus in the same volume, is not permitted.
- Dictionaries must not be shared between students during an examination or the GAT.
- Electronic dictionaries are not permitted.

## CALCULATORS

In examinations where calculators are permitted, a suitably qualified member of the school teaching staff will check the appropriateness of calculators as you enter the examination room.

Do not use calculators during reading time.

CAS calculators that have graphic, symbolic or programmable capabilities may be used in specified Mathematics examinations, provided the model has been approved.

You may use a scientific calculator may be used in specified examinations.

A scientific calculator does not have graphic, symbolic or programming capabilities. It does not have extended memory capable of storing text and/or symbols.

## Conditions of use

Calculators may be used under the following conditions:

- The calculator must be silent and of the handheld type containing its own power source. You are not permitted to take portable chargers into the examination room.
- You will be entirely responsible for ensuring adequate power supply to your calculator. You must supply your own spare batteries. Any technical fault or battery failure that limits the usefulness of a calculator during an examination will not be taken into consideration by the assessors.
- You are responsible for ensuring that the calculator is in excellent working order.
- You may not borrow a calculator from another student after entering the examination room.

## OTHER TECHNOLOGY

Computers, mini-computers, portable media players, pocket-organisers, laptops, palmtop computers, calculator models that can 'communicate' with other calculators and notebooks are excluded from use in any written examination, except under specified circumstances for which prior approval has been given by the VCAA.

## SCIENTIFIC CALCULATORS

Scientific calculators may be used for examinations in the following studies:

- Accounting
- Algorithmics (HESS)
- Applied Computing: Software Development
- Chemistry
- Environmental Science
- Physics
- Systems Engineering
- VET Business
- VET Engineering Studies
- VET Equine Studies
- VET Furnishing
- VET Hospitality
- VET Hospitality (Kitchen Operations)
- VET Information, Digital Media and Technology
- VET Integrated Technologies
- VET Laboratory Skills

Calculators that have graphic, symbolic or programmable capabilities are not permitted in these examinations.

A scientific calculator may also be used in specified Mathematics examinations.

## CAS calculators

The following CAS calculators are approved for use in Further Mathematics Examination 1 and Examination 2, Mathematical Methods Examination 2 and Specialist Mathematics Examination 2. The full functions of approved CAS calculators may be used (that is, memories do not have to be cleared before entering the examination).

### Casio

Algebra or ClassPad series

### Hewlett Packard

HP 40/48/49/50 or HP Prime series

### Texas Instruments

TI 89/92/Voyager or TI Nspire CAS series

## Summary of Examinations with Approved Calculators

Examination	Calculator
Accounting Algorithmics (HESS) Applied Computing: Software Development Chemistry Environmental Science Physics Systems Engineering VET Business VET Engineering Studies VET Equine Studies VET Furnishing VET Hospitality VET Hospitality (Kitchen Operations) VET Information, Digital Media and Technology VET Integrated Technologies VET Laboratory Skills	Scientific Calculator only
Further Mathematics Examinations 1 and 2  Mathematical Methods Examination 2  Specialist Mathematics Examination 2	Approved CAS Calculator or CAS software for approved schools only  A scientific calculator is also permitted

# VCE Examinations

## MATHEMATICS EXAMINATIONS : USE OF BOUND REFERENCES

You are permitted to take a bound reference into designated Mathematics examinations. This resource is intended to provide you with access to mathematics-related reference material that may be of assistance during the examination. A suitably qualified member of the school teaching staff will check the appropriateness of the bound reference as you enter the examination room for Mathematics examinations where these items are permitted.

If your school receives written approval from the VCAA to use approved CAS software, you are permitted to have your bound references as stored files on a CD-ROM, DVD or USB.

The following table lists the examinations into which the bound reference may be taken.

Study	Examination 1	Examination 2
Further Mathematics	Bound reference as described	Bound reference as described
Mathematical Methods	None	Bound reference as described
Specialist Mathematics	None	Bound reference as described

## Specifications for bound reference

- The bound reference must be in book format of A4 size or smaller when closed.
- The number of pages is not specified.
- Pages must be permanently bound and securely attached to the spine.
- There must be a single horizontal or vertical spine.
- The bound reference may be:
  - a textbook
  - a securely bound lecture pad
  - a permanently bound student-constructed set of notes without fold-outs
  - an exercise book.
- The form of binding is not specified but it must be secure, and pages must not be readily detachable or designed to be removed. Binding can include cloth, glue, staple, spiral or comb binding.

**You are allowed to:**

- consult your bound reference during reading and writing time
- annotate the material
- design your own written index
- fold pages
- cut page corners
- colour code pages
- insert dividers into your own sets of notes
- firmly attach additional material to pages in the bound reference (for example, by glue, adhesive tape or staples).

**Your bound reference must not include:**

- pages or parts of pages that can be detached from the bound reference during the examination
- fold-outs, maps or brochure-style components
- removable tabs, sticky notes or other pages or material designed to be detached
- forms of collation or binding that are designed to be non-permanent and the content modified by insertion including:
  - ring-binder folders
  - plastic A4 sleeves (permanent or removable) from which pages may be removed
  - manila and similar folders with clip, clamp, slide and metal prong binding of loose-leaf material.

If any page or part of a page is detached from the rest of the bound reference, the page will be removed by the supervisor for the duration of the examination and the incident will be reported as a potential breach of rules.

Do not share your bound reference with another student during an examination.

Questions can be emailed to the VCAA:  
vcaa.assessment.operations@education.vic.gov.au.

This information was extracted from the VCE Exams Navigator 2021 Student Information and Examination Timetable Booklet.

Please go to the following website to view a complete copy of this booklet:

[www.vcaa.vic.edu.au](http://www.vcaa.vic.edu.au)

**ALL STUDENTS HAVE BEEN GIVEN A PERSONAL EXAM TIMETABLE WITH THEIR VENUES AND TIMES**

# VCE Examinations

# CLOSURE NOTICE

PLEASE NOTE THAT DUE TO VCE EXAMS THE CANTEEN WILL BE CLOSED ON WEDNESDAY 27TH NOVEMBER & FRIDAY 29TH NOVEMBER. LUNCH ORDERS WILL NOT BE AVAILABLE.

STUDENTS SHOULD BRING A PACKED LUNCH ON THESE TWO DAYS

## DOES YOUR CHILD SUFFER FROM HAYFEVER?

IT IS THAT TIME OF YEAR WHEN STUDENTS REQUIRE ANTIHISTAMINES FOR HAYFEVER. PLEASE ENSURE YOUR CHILD'S HAYFEVER IS WELL MANAGED - HAYFEVER MEDICATION SHOULD BE ADMINISTERED AT HOME.

MARIAN COLLEGE DOES NOT PROVIDE ANTIHISTAMINES TO STUDENTS.

# VCE 2021

## Early English and English Literature Novels

An email has been circulated to current Year 10 and 11 parents with information on how to order your child's English and Literature Novels for next year.

It is recommended that novels are purchased early for reading during the school holidays.

All orders are to be completed online. The book supplier is **Campion Education**.

Website: [www.campion.com.au](http://www.campion.com.au)

Please note that the due date for order completion is **Monday 1st November, 2021**

# WEEKLY CAREER NEWS

EVENTS, NEWS, UPDATES  
AND RESOURCES

Wednesday 20 October 2021

## Year 11 students

### Hansen Scholarship

Year 11 students planning to study at The University of Melbourne in 2023 may be interested in exploring the prestigious Hansen Scholarship via <https://bit.ly/3ix3ENW>

Applications for the scholarship will open early in 2022. A virtual information session is being held for interested Year 11 students.

Date: Thursday 28 October, 6 – 7pm  
RSVP: <https://bit.ly/3Da32lY>

## Interested in forensic science?

### Web series

Afterlife is a web series that explores what goes on behind the doors at the Victorian Institute of Forensic Medicine and the Coroners Court of Victoria.

Join Meshel Laurie and Catherine McClements as they interview Melbourne's real Silent Witness and meet some of Australia's top forensic and legal experts, including

- forensic pathologists
- anthropologists
- toxicologists
- odontologists
- molecular biologists
- physicians
- coroners

<https://bit.ly/3eC56xc>

### Forensic Science Careers

Explore careers in forensic science and study pathways at <https://bit.ly/2TbU4WS>

## Demand for 'soft skills' in future workplaces

The next ten years will see a shake-up of the mix of skills required by the Australian workforce, with workers needing to deepen their existing skill sets, or acquire new ones. Soft skills are becoming more important than ever.

A Deloitte report found that soft skill intensive occupations will account for two-thirds of all jobs by 2030, compared to half of all jobs in 2000. You can download the report at this link - <https://bit.ly/2lTJbLL>

## Defence Force – Upcoming Virtual Career Events

### November

- 8: Air Force Careers
- 10: ADFA Careers
- 16: Trade Careers
- 17: Women in Defence
- 23: Defence Careers

You can watch past sessions on the following topics

- ADF Careers Information Session
- Royal Military College
- Navy Officer
- Navy Technical Trades
- General Entry
- Women in Defence

For information, to register your place, and to watch past webinars, go to <https://bit.ly/2MpyMUj>

## Music Careers Guide

The Australian Institute of Music (AIM) has developed a career guide for people passionate about pursuing a career in the music industry. The guide features over 75 occupations! You can access the guide via <https://bit.ly/3pf4vtZ>

Check out Music courses at AIM and register to watch their virtual open day on demand via <https://aim.edu.au/>

## Year13

Have you registered with Year13 yet? You can

- Win cash just for filling out career surveys
- Contribute to their newsletter
- Participate in free career development and financial literacy programs
- Watch past career expos on demand
- Learn about travel and gap year options
- Read articles about student life

Year13 is your essential guide to transitioning through high school and beyond, <https://year13.com.au/>

## Australia National University

### New Mathematics Requirement

From 2024, applicants will need to have completed at least Unit 1 or Unit 2 of Mathematics (any) to be eligible for admission into all courses. Some courses will require advanced Mathematics. This information will impact current Year 10 students who will be applying for university courses in 2023 for the 2024 intake.

### Watch Open Day Recordings

Prospective students can watch open day videos on demand from the recent ANU Open Day, <https://bit.ly/3vwZvC4>

## Who wants to be an engineer?

Do you prefer building bridges or creating engines? Who has more fun – a civil engineer or an aerospace engineer? Bring together skills and knowledge with a degree at RMIT. Play this game to find out what type of engineering you'd be best suited to, and about student life at RMIT, <https://bit.ly/2MVJrDK>

## Interested in Engineering?

The following information has been written by Nathan Chanesman at 'My Career Match':

"Engineering is one of most exciting and in demand careers for young people to choose.

Engineering is an occupation with extremely wide reach. The term 'engineering' covers many fields and, by extension, many skills.

Engineers are scientists, inventors, designers, builders and great thinkers. They improve the state of the world, amplify human capability and make people's lives safer and easier.

As technology continues to develop, the need for engineers, and the reward of being an engineer, increases too. Some of the most popular reasons to be become an engineer include:

### Personal Happiness

This is a career that will keep you happy by providing great financial security, diversity, flexibility, prestige, intellectual development, challenges and personal satisfaction. The variety of ideas and finished projects keep the engineer's job interesting.

### Work with Smart People and Travel

People who enjoy working with other people and travelling may become field service engineers. Creative people who constantly have new ideas about everything may enjoy working as design engineers. People who enjoy conducting experiments in laboratories.

### Become an Entrepreneur

Engineering also lends itself nicely to entrepreneurial types. In fact, more engineers are CEO's of companies than any other undergraduate degree. Usually this is because they invent something and then form a company to market and sell it. Other engineers may form construction, environmental, or consulting firms because their knowledge is in high demand.

### Manage Companies

Many engineers obtain higher degrees in business to become better managers and to receive a broader understanding of the inner workings of engineering companies. Many graduates work for financial companies; they may write software programs or construct financial models.

### Learn to Think

One of the best reasons to choose engineering is because an engineering education teaches you how to think through a problem in order to solve it. Engineering teaches all these mental agility skills will help you solve problems for the rest of your life. You access several different approaches to solve a problem, and then it is up to you to show everyone how your solution meets the needs of the design.

### Make a Difference

Engineering is one of the most humanistic fields. Engineering is about making life and the world a better place. The more you expose yourself to the world of engineering, the more opportunities you may have and the better prepared you will be to meet the challenges ahead.

You can sign up to receive newsletters and career articles from My Career Match at <https://bit.ly/2kBBw4o>

Download the Careers with STEM Engineering Magazine at this link - <http://bit.ly/39SxV6r>

## Do you love the outdoors?

Have you considered studying outdoor education or outdoor recreation? You can study outdoor recreation at TAFE institutes, private providers and via a traineeship at outdoor education centres such as Camp Coolamatong, Victoria and Outward Bound, NSW.

You can also study outdoor education and outdoor recreation at university. The following are examples of courses you can explore:

### Victoria University

Footscray Park: Bachelor of Outdoor Leadership, <https://bit.ly/2QIzukf>

### La Trobe University

Bendigo: Bachelor of Outdoor and Sustainability Education, <https://bit.ly/3vw8HXd>

### Federation University

Ballarat and Gippsland campuses: Bachelor of Outdoor and Environmental Education, Bachelor of Sport, Physical and Outdoor Education, <https://study.federation.edu.au/>

## Swinburne University

### New Bachelor of Arts

Swinburne has revolutionised their Bachelor of Arts. There are new Arts majors and students can apply to complete Work Integrated Learning, Internships, double majors and combined degrees.

High achieving students who secure a place in the Bachelor of Arts (Professional) will be guaranteed a paid 12-month industry internship.

Download the new Bachelor of Arts guide via <https://bit.ly/3BTxwik>

## RMIT University

### 'Parents to parents' panel session

Parents of prospective RMIT students are invited to participate in an online information session run by RMIT staff and parents of RMIT students. The event will run on 25 November.

For information and to register, visit <https://bit.ly/3QJOCr>

### VCE Exam Cram

VCE students studying Units 3+4 STEM subjects are invited to participate in the RMIT and ATAR Notes exam cram weekend running on Saturday 23 and Sunday 24 October. Register via <https://atarnoteslectures.com/rmit-stem>
