From the Head of Learning & Teaching

Dear Parents, Carers, Friends and Students of Marian College,

- ❖ We encourage excellence and perseverance in learning,
- ❖ We strive for continuous improvement

Welcome back to Term Four. Last week was an interesting start to the term. Officially 'back' but still 'off site' learning.

The Year 12's were welcomed back on Wednesday for the GAT. Congratulations to them for coping, not only with the 3 hour exam but having to deal with the necessary distractions of re-entering school for the first time in a long time.

This week we welcome back the whole school to 'on site' learning. This is something that we have been eagerly awaiting for a long time. I'm certain that for many it is going to take a certain amount of readjusting to what it means to be back in the classroom. However, we are 'all in this together'.

It is going to be a busy few weeks, especially for the senior students who will be sitting exams shortly. They will certainly be in the forefront of our hearts and prayers and they finish what has been a tumultuous time for them this year.

TA Reports & Semester Reporting.

Term four will continue with TA reporting cycle as well as end of Semester/Year reports. These reports will again look a little different as they did in Semester one, due to remote

and off site learning. More information about this will come out over the next few weeks.

Please remember that if you have any questions do not hesitate to contact your child's TA teacher or relevant staff member.

Senior school Information evening.

Due to restrictions in regards to large gatherings it is still impossible at this stage to conduct any parent information evening in regards to information surrounding senior students and their studies in 2021.

If you have any questions please do not hesitate to contact the school and we will provide individualised information.

Matthew Summers
Head of Learning and Teaching.

One of the most important things we can do to slow the spread of coronavirus (COVID-19) in our community is to stay at home when we are unwell, even when we have the mildest of symptoms.

What you need to know

1. If a child is unwell, even with the mildest of symptoms, they must stay at home

If a child becomes unwell during the day, they must be collected from school/early childhood education and care (ECEC) as soon as possible.

2. If a child has any of the symptoms of coronavirus (COVID-19) outlined below, however mild, they should get tested and they must remain at home until they receive their results:

- fever
- chills or sweats
- cough
- sore throat
- shortness of breath
- runny nose
- loss of sense of smell or taste.

In certain circumstances headache, muscle soreness, stuffy nose, nausea, vomiting and diarrhoea may also be considered symptoms.

For further advice:

- call the 24-hour coronavirus (COVID-19) hotline 1800 675 398
- call a general practitioner
- use the Department of Health and Human Services (DHHS) [online self-assessment tool](#).

Visit: [Where to get tested](#).

3. A child must stay at home until they are symptom free, even if their coronavirus (COVID-19) test is negative

If a person has tested positive for coronavirus (COVID-19) they must isolate until they receive clearance from the Department of Health and Human Services. Read the [What to do if you've tested positive for coronavirus \(COVID-19\) factsheet](#) (PDF) for more information.

If a person is a close contact of someone who has tested positive for coronavirus (COVID-19) the Department of Health and Human Services will get in contact to tell them they are a close contact of a person who is confirmed to have coronavirus (COVID-19). A close contact must quarantine at home. Read the [What to do if you have been in close contact with someone with coronavirus \(COVID-19\) factsheet](#) (Word) for more information.

For information on the minimum periods students and children need to stay at home for other conditions, refer to the [DHHS school exclusion table](#).

4. Children do NOT need a medical certificate before returning to school/ECEC

Once symptoms have cleared, there is no requirement from the Department of Education and Training or DHHS for children/students to have a medical certificate before they return to school/ECEC.

Thank you for your support in following these steps, together we can all stay safe.

This advice has been prepared by the Department of Education and Training, Safer Care Victoria and the Department of Health and Human Services

YEAR 12 PRACTICE EXAMS

Marian College has constructed a Practice Exam Timetable for as many Unit 4 subjects as possible for our senior students. Your child's subject teachers will be encouraging all students to attend these. Feedback from these exams will give your child a very good idea about how they are progressing and what they can do to improve the chances of the best result they can achieve for the end of year exams.

As you may know, Marian College usually holds Practice Exams during the last week of the September break but this was not possible this year because of COVID-19 restrictions.

If your child cannot sit the timetabled exam, please encourage them to sit the exam at another time during the timetable schedule.

This is not meant to be an extra burden on students. It is part of their normal revision program. Teachers are volunteering to give up their time to supervise these exams after school and on Saturdays as all of us want our students to have the opportunity to do their best.

All Practice Exams will be held in the Brigidine Centre.

Full school uniform for all exams, including Saturday. Students will be expected to wear their uniform to the end of year exams. These are no different.

After school exams begin at 3.30 pm.
Saturday exams begin at 10 am.

Exam conditions will be enforced. This is for their benefit.

Please ensure that your student brings their own pens and special equipment if/as allowed.

Lucy Edwards
Head of Organisation and Student Pathways

Virtual Cross Country Results

It was great to see a large number of students participate in this year's Virtual Cross Country and upload details of their 3 or 5km run. The results are listed below and these students will receive an Intersport voucher.

Random Draw Prize winners:

Ivana Donnan, Regan Price, Alicia Linsley

Year level winners:

Year 7	Wilbur Shea	Molly Walker-Sutton
Year 8	Aaron Chaplin	Lia Hayward
Year 9	Zak Peachey	Ruby Preston
Year 10	Gabe Tonks*	Elise Monaghan
Year 11	Oscar Cole	Hannah Terry
Year 12	Archie Conboy	Bridget McGuckian*

**fastest time in the school.*

Well done to everyone who participated and keep being active!

Here are some comments from students about their run:

"The run was pretty difficult as I haven't ran in a long time, it was good doing it with my brother though. After the run I felt really good and like I had achieved something harder in the day."

"The run was enjoyable but it got a bit wet. It was beautiful weather and there was so much wildlife."

"I kinda ran and walked with my dog and it was really early, so there was a nice sunrise."

"In the last 300 metres of my run I was getting swooped by two angry plovers and this made me run faster and get a better time, which was good for me even though the plovers sounded very mad."

"I saw the baby ducks at the lake on my run!!!"

"Pretty exhausted afterwards, took off too quickly. But a bonus few bursts of speed due to the magpies swooping!"

"It was a bit frosty and chilly but nice to run past all of the bright canola crops!"

"I didn't realise that I was actually good at running if I trained! I found it stress-free just running and not thinking about anything!"

"It was nice to get out of the house and just think."

FROM YOUR HOUSE LEADER

Hello,

Welcome back to onsite learning. It has been such a different year. I have no doubt there are many students happy to get back to normality when it comes to school. It is a different normal, but things should feel more like 'school' over the next few weeks. Can I take this chance to congratulate all students and staff on their efforts over the past 10 weeks. It takes a team effort to face a challenge like this and the feedback has been positive in regards to online learning. In saying that, we are so happy to be back!

This term will be very busy especially for our senior students. Take each day as it comes. Your teachers are here to help and all that is expected of you is that you do your best. Our Year 12's would unfortunately be feeling as if they have lost a lot of their rites of passage. This is no doubt disappointing but we will try and make the most of the situation. We hope to be able to celebrate in some capacity.

It's been a very different year in terms of house events and all things Synnott. We have missed out on traditional activities and gatherings. Hopefully towards the end of the term restrictions will ease some more and we will be able to participate in house related activities to finish off the year.

For now, welcome back and I look forward to once again working with the students in Synnott House. My door is always open and please contact me at the school should you have any concerns in regards to your child's wellbeing. It is understandable for students to be anxious upon returning to school after such a long period offsite.

Stay Safe
Nick Lloyd
Synnott House Leader

MARIAN COLLEGE DOES NOT PROVIDE ANTIHISTAMINES TO STUDENTS.

BUSHFIRE PREPAREDNESS INFORMATION

As we enter the bushfire season for another year it is important that the guidelines regarding school arrangements for CODE RED days, Total Fire Ban days and bushfire alerts are clearly articulated to all parents. These are as follows:

1. **No** school buses will run on any days that are declared CODE RED to Marian College. This includes the Halls Gap, Pomonal, Moyston, Amphitheatre, Elmhurst, Buangor, Beaufort, Concongella, Stawell, Navarre, Landsborough, Maroona and Willaura routes. All of these buses run through areas that are on the **At Risk Register**, and as such, are unable to transport students on CODE RED days because of the high potential of bush fires.
2. On CODE RED days, parents are asked to ensure students who are remaining at home because their bus is not running are **never** left at home unattended or in the care of older children.
3. **Marian College has not been identified as being at high fire risk**, and as such it will remain **OPEN** on a CODE RED day unless it is directly threatened by fire.
4. If a fire starts during the day that affects a bus route home, the College will be notified by the bus Coordinators at either Stawell or Ararat College. It may be possible that students are not permitted to travel home on the bus in such a situation. Parents will be notified if this occurs, and students will be cared for at school until transportation home can be arranged.
5. While our school has not been identified as being at high fire risk, we do plan offsite activities – such as camps and field trips – during the fire season. If such activities are considered to be at risk from fire, or occur on a Total Fire Ban day-they will be rescheduled or cancelled.
6. If your child is old enough, talk to them about bushfires and your family's bushfire survival plan – particularly if you are planning day trips or holidays to fire-prone areas.

Please feel free to contact the College if you require further advice or information.

Victoria Youth Employment Program

The Victorian Government has launched the new Working for Victoria Youth Employment Program (YEP). Up to 800 young people will have the opportunity to kickstart their careers and develop skills for the future. These 6-12 month jobs in the public service will give young Victorians a foot in the door through on-the-job experience and training.

The Youth Employment Program is open to Victorians who are:

- aged between 17 and 29 years
- unemployed
- eligible to be employed by the Victorian Government.
